

Regional Patient and Public Involvement (PPI) Week Activities 9–14 June

Date	Event description	Details
Monday 9 June	<p>Getting involved in Cambridge - Come meet our public involvement teams!</p> <p>Meet friendly health, community and research organisations who are looking for members of the public to get involved in their work in the city of Cambridge and across the region. No experience is required!</p> <p>If you are a researcher drop by for a chat about PPI and find out more about the groups.</p>	<p>Time: 11:00–14:00</p> <p>Location: The Atrium, Royal Papworth Hospital, Papworth Rd, Cambridge, CB2 0AY</p> <p>Just drop in!</p>
Tuesday 10 June	<p>ARU's annual conference 'Let's Shape Research Together'</p> <p>Join us for networking and collaboration opportunities with ARU academics, ARU Public Collaborators and external stakeholders.</p> <p>You can learn more about research at ARU, and how public contributors have made a difference to recent research projects.</p>	<p>Time: 13:30 - 17:15</p> <p>Location: ARU, Sci 105, Science Building, East Rd, Cambridge, CB1 1PT</p> <p>Link: shaperesearchtogether.eventbrite.co.uk</p>
Wednesday 11 June	<p>Health Research in Cambridge and how you can help shape it!</p> <p>Patients and members of the public have an important role to play in the health research that we do. This session will look at how you can get involved and help to make our research even better.</p> <p>This session is for members of the public, you don't need any medical knowledge or experience, all are welcome!</p>	<p>Time: 12:00 - 13:30 Location: Online (Zoom)</p> <p>Link: https://bit.ly/CambRESshape</p>
Thursday 12 June	<p>Cambridge Patient and Public Involvement Showcase</p> <p>Join us for live presentations from researchers from 10am to 12.00pm and 1.00pm and 3.00pm about how public involvement has made a difference to their research. Over a light lunch (12 -1pm) browse posters of further examples of public involvement. Then from 3.30pm to 4.30pm there will be a 'PPI in Discovery and Pre-Clinical Health Research panel discussion' to highlight PPI in lab-based research.</p> <p>Events are for the public and research staff to showcase and celebrate the difference public involvement has and is making today in Cambridge health research.</p>	<p>Time: 10:00–15:00 & 15:30- 16:30</p> <p>Location: Atrium & Seminar Room, Jeffrey Cheah Biomedical Centre, Cambridge Biomedical Campus, Puddicombe Way, Cambridge, CB2 0AW</p> <p>Links for morning, afternoon and Pre-Clinical events:</p> <p>https://bit.ly/CambPPIshowEvents</p>
Friday 13 June	<p>Showcase of Initiatives through online campaigns</p> <p>Follow the hashtag #EoE-PPIWeek on Social Media and find out about PPI best practice case studies from Anglia Ruskin University, Cambridge Biomedical Research Centre and others.</p>	<p>NIHR Cambridge BRC</p> <div>      </div> <p>Click on icons</p> <div>   </div>
Saturday 14 June	<p>Cambridge Pride - parade, stand & talk</p> <p>We'll be highlighting the importance of inclusive research on our stand and why we need to encourage more diversity in taking part and getting involved in improving health research.</p>	<p>Time: 13:00–21:00</p> <p>Location: Community Hive, Jesus Green</p> <p>Link: https://cambridgepride.co.uk</p>
